

Living the Gospel: The Quest for Racial Justice and Equality

Four parishes will collectively examine this urgent national issue

The 2020 Adult Faith Formation Series is a joint venture of St. Camillus, Resurrection, St. John the Baptist, and St. Patrick's churches

Presentations and discussions in the 2020 series will be anchored in what we profess as Christians and in our rich Catholic social teachings. Come along to explore what it means to be anti-racist, the implications for personal and communal transformation, and how to be advocates for equality. The journey promises to be personally and communally transformational.

...wherever any minority is persecuted and marginalized because of its religious convictions or ethnic identity, the wellbeing of society as a whole is endangered and each one of us must feel affected. -- Pope Francis
